Floor Business:

a. Chief Oatley's report:

- There were not many calls this month. There were a couple of memorable incidents.
- There was the house fire in Leonidas we aided
- I will be attending my first Chief's meeting that is coming up.

Supervisor Kline: Casey, do you know what NO, NO, GO is in reference to? I was at the SJAC meeting and that was brought up by the Medical Director.

Casey, I will find out at the Chiefs meeting. Sometimes the Medical Director doesn't make himself clear.

- Hose testing is scheduled for 09/15 and pump testing I have to get scheduled sometime in October. Fit & Flow testing has been completed.
- No update on the Enbridge grant. I should hear something by the end of this month.
- The Gary Sinise (Actor) grant; I think I am going to write that for is light weight PPE you can buy that is not as fully insulated as the

structural gear. That would be nice for accident scenes when it is extremely hot weather.

- Amish dinner in the Fall could help pay for that gear.
- Pumper replacement; I've been getting some quotes back. Could be anywhere from \$450,000.00 to \$650,000.00
- Andy and I will get together with Chief Panicky this fall and talk to those guys about Mutual Aide. I will get with Matt from Colon and discuss what Climax is going to do, because they both said they will not be calling Leonidas.

Supervisor Kline: I'm curious if you feel that the ambulance service has improved? I'm on the board for SJAC and would like to know how they are doing. Casey: For us it has been pretty good lately. Kline: Good, because there haven't been any complaints lately.

Old Business:

- a. Clerk Cupp – MEC update – Phone service has been installed by MEC and I am still working on cancelling all of the accounts (four).

New Business:

The treasurer's report was submitted for approval. A motion was made by Cupp, supported by Watson to approve the treasurer's report. Motion carried.

August bills were submitted for consideration and approval for payment. A motion was made by Watson, supported by Batten to approve the bills. Motion carried.

Good of the Order:

A motion was made by Cupp, supported by Batten to adjourn the meeting. Meeting adjourned at 6:55 p.m.
